- Jin has always been one of the best TAs I've been lucky enough to have more than once. She's very smart, helpful, and super nice. I'm never scared to approach her for help. She speaks clearly which is very nice. Thanks for being so great Jin!
- Jin is one of the best TA's I've ever had. She is very knowledgeable and is always willing to help a student with a question.
- She tends to be VERY soft spoken and, even ten feet from her in the lab, can be drowned out by computer noise.
- Very good TA. Very helpful.
- A really great TA. Thanks for all your help!
- Jin is a very effective TA. She is always very well prepared for our labs. She provides us with a list of what we are going to talk about in labs. She is also very helpful during the labs, as well as through e-mail.
