- She is very good at explaining the material that was presented to her students. She makes her available to the students needs and concerns.
- Jin Sun was the friendliest and most understanding TA that I have ever had. She always made it a point to have everyone understanding what they were doing and understanding the material.
- Jin Sun is an EXCELLENT TA. Every other TA at UCR should bow down to, and take lessons from her on how to be an exceptional TA. She deserves a big fat raise in pay. Scherie Dee
