CS 225, Winter 2020 Assignment 2

Delivery Instructions:
- Include your full name and student ID.
- No late delivery.
- Submit your assignment through iLearn.

(1) **Mini-topics final outline**.
Submit a file with a detailed proposed outline for your mini-topic presentations. The detailed outline should include: (a) full information of the proposed papers and/or articles to be presented, (b) their order, and (c) distribution over the allocated presentation slots. The number of allocated presentation slots are indicated on the course website. Each slot is 20 minutes and expected to fit a single paper/article presentation. Also provide information about any needed resource materials, if any.
