Things to Do During the First Week

1. Review and bookmark the class webpage.

2. Add yourself to CS 111 on Gradescope using the code provided on iLearn.

3. Join Slack.

4. Print, read and sign the academic integrity statement. Save it as PDF and upload to Gradescope.

5. Find syllabus and provided samples for the entrance quiz. Study for the entrance quiz.

6. Read the guidelines for preparing homework assignments.

7. Download Homework 1 (will be posted on iLearn under the Course Materials).

8. Familiarize yourself with Overleaf and LaTex.
