

Student Registration Instructions

Get Started

With Pearson's **MyLab & Mastering and Canvas**

Enter Your Canvas Course

1. Sign in to Canvas and enter your Canvas course.
2. Click **Access Pearson** in the Course Navigation on the left hand side of the page, and then click **Open Pearson**. This should open a new browser tab. If it does not, check you web blocker.
3. Click **Open MyLab & Mastering**. Again, the Pearson MyITLab site should open in yet another new browser tab. Again, if it does not, check your web blocker.

Get Access to Your Pearson Course Content

1. **Accept** the End-User License Agreement and Privacy Policy, if asked to do so.
2. To link your Canvas and Pearson accounts, do one of the following:
 - If you already have a Pearson account, enter your username and password.
 - If you do not have a Pearson account, click **Create** and follow the prompts to create a new account.
 - Tip: To look up your Pearson account, click **Forgot your username or password?**
3. To get access to your Pearson course, do one of the following:
 - Under **Use a Credit Card or, if available, PayPal**, click the button with the applicable price and enter your payment information.
 - Click **Access Code**, enter your access code, and click **Finish**.
4. When the registration is complete, the **You're Done** page appears and you get a confirmation email. You can close the **You're Done** page and return to your Canvas course. From now on, when you click any of the MyLab & Mastering links in your Canvas course, your Pearson MyITLab course immediately opens in a new browser tab.

Important! In the future, always enter your Pearson MyITLab course through Canvas.

Need Help?

Contact Pearson 24/7 Technical Support. To provide them with your details in an export file, enter your Canvas course and go **MyLab & Mastering>Diagnostics** (If you don't have access to the Diagnostics page, please contact your instructor for this information.):
